

Excess Mass Stipends

I would ask you to ensure that mass stipend requests are fulfilled within a reasonable time (and of course that only ONE stipend may be fulfilled each day, apart from Sundays when a second Stipend may be accepted and donated to the Seminary Fund). Excess stipends may be sent to the Chancery for distribution to missionary priests and other priests in need. When sending stipend money to the Chancery, please indicate the number of masses and their individual value - standardly \$10 (or \$20 in the case of November Masses).
